2AE - GIACCHE PIUMA DONNA

## TECHNICAL DETAILS

### DESCRIPTION:

Woman's jacket with undetacheable hood, made by super-light recycled polyamide fabric, calendered and with water-repellent treatment. Quilts are regular all over the body. The slightly waisted fit allows this garment, despite being sporty, to be very feminine. Hood, bottom and cuffs are finished by elastic tape in tone to the fabric. Padded with natural down. Comfortable and practical side pockets and tone on tone inner lining. Light weight. Colmar patch on left sleeve and "C" patch on right back, personalize the jacket with company brand logo.

## TECHNICAL DETAILS

### DESCRIPTION:

Women's reversible jacket made by super-light recycled polyamide fabric, calendered and with water-repellent treatment. Zip closure. Two items in one that you can best match with your outfit based on the color you prefer. The drawstring at the waist allows you to adjust the width and makes this garment very feminine. Comfortable and practical side pockets. Regular fit. Colmar patch on left sleeve and "C" patch on right back, personalize the jacket with company brand logo.
