1DG - PANTALONI SINTETICI JUNIOR

TECHNICAL DETAILS

DESCRIPTION:

Padded girl's pant made of mechanical stretch fabric of 100% recycled polyester laminated with a waterproof and breathable membrane. Inside, the 100g Ecosoft wadding with 85% post consumer recycle fibers provides the right degree of warmth. This garment with an optimal and feminine fit thanks to the ergonomic cuts together with the adjustable waist, the padded backrest, the high tenacity nylon blade reinforcement applied on the bottom and the internal gaiter ensure the best performance.
